THANK YOU FOR STEPPING UP!

If there is one thing we've all learned during this COVID crisis, it's that **we are all in this together!** Only through cross-sector partnerships, unprecedented collaboration, and support from the community was EdCamp able to serve hundreds of families with quality childcare, e-learning support, and meals for 25 weeks. **What a gift you've given to Elkhart families:** You gave them the gift of peace of mind that their children were well taken care of when they weren't in school. **We did our part to keep our economy open and parents working!** That is what Elkhart always does; we keep moving forward through thick and thin and come out better for it on the other side! Thank you for stepping up to help!

Sincerely,

Ashley Boling Molyneaux, *Elkhart Education Foundation Executive Director*
